

Art Expression Fall Session

Painting, drawing and sculpting with traditional and recycled materials. Join Professional Artist Christine Harrison for this guaranteed mess (also fun)! Six sessions during October and November will include a variety of art projects in different mediums. Young artists will be able to explore color and texture in multiple hands-on projects inside and outside of the Art Accelerated Annex- a new space downtown designed just for making art. Special reception for all artists Wednesday, November 20th.

Register at the YMCA before September 30, 2019
